Dubina Rose Ranch is a Registered Brahman and F1 Producer with ranches located in Hockley and Schulenberg, Texas. Dubina Rose Ranch

| CONSIGNOR | # HEAD | TYPE | AGE | BREEDING STATUS |
|-----------|--------|------|-----|-----------------|
|-----------|--------|------|-----|-----------------|

utilizes Registered and Purebred Brahman cows that are culled strictly on fertility, udders and disposition in its Golden Certified and Certified F1 Program. Top quality Hereford bulls are used that are purchased from stock show sales or reputable Hereford breeders based on a combination of performance and phenotype. We are pleased to be able to participate in this prestigious sale and we are committed to insuring that our cattle will perform well for their new owner.

Reata Ranch is located in the Gulf Coast area of Texas. Their genetics is based on a J D Hudgins cowherd and Gardiner Angus bloodline bulls that are produced in the Gulf Coast region. These cattle will be the cowmans kind of thick beefy females that will perform no matter where they are located. You can buy these cattle with confidence.
