Broken Triangle Cattle Marketing Rancher's Winter Gathering Sale

December 6, 2025 || 1:00 PM || Caldwell, Texas
Caldwell Livestock Commission and Online with [DV Auction](#)

LOT 1: TGN Miss Montana 280 (ABBA #[1079192](#))

DOB: 9/25/24 CONSIGNED BY: TERRY NOVAK RANCH

SIRE: Mr H Morton 964/7

DAM: Miss Z6 175/2

To start off this offering we have an outstanding 15 month old female from a long time consignor, Terry Novak. She is sired by the Heritage Morton bull who is a Maddox son out of a Double Take daughter. Her dam comes from another one of our consignors, Z6 Cattle Company. She is a Captain daughter who is out of a really good Dubina Rose cow. 280 is a long bodied, extremely feminine heifer that has that exquisite look about her. She is exactly what you would expect from a Terry Novak Ranch consignment.

LOT 2: BCC Lady 150/1 (ABBA #[1089379](#))

DOB: 11/10/21 CONSIGNED BY: BENTKE CATTLE COMPANY

SIRE: +Mr H Maddox Manso 684

DAM: Miss V8 490/7

BCC 150/1 leads off the Bentke Cattle Co. offering in a strong way. Elite pedigree with some of the biggest names in Brahman history to include +Maddox, (+)Karu 800, and the International and World Brahman Congress champion, +Miss V8 464/6. This moderate framed female is easy keeping, striking in her appearance and in the prime of her life. She ranks in the top 5% of the breed for the carcass traits of CW, REA, and she's top 1% for marbling. She's always been a good mother and as an added bonus, she sells with a striking heifer calf at side sired by Mr. V8 388/8, a +Mr. V8 380/6 son out of a (+)Woodson daughter.

LOT 3: BCC Lady Holly Manso 178/1 (ABBA #[1048808](#))

DOB: 11/24/21 CONSIGNED BY: BENTKE CATTLE COMPANY

SIRE: M2 BRC Captain 518/1

DAM: Lady H Maria Manso 523/3

BCC 178/1 is a tremendous young cow sired by one of the hottest bulls in the Brahman breed, +M2 BRC Captain 518/1. As expected being sired by Captain, she's got a beautiful profile, good size, stoutness and bone. Her dam is a highlight too, being out of +JDH Charley's Jazz and +Lady Heritage 173, more famously known as the dam to the famous +Mr. H Maddox. 178/1 did a great job raising her first calf and sells heavy bred back to a Reg. Angus bull that goes back to straight 44 Farms Genetics for a Golden Certified calf in the near future.

LOT 4: BCC Lady 230/3 (ABBA #[1076060](#))
DOB: 2/27/23 CONSIGNED BY: BENTKE CATTLE COMPANY

SIRE: LB Mr CR Earle Manso 214/5
DAM: MS +S Suzanna Manso 543

This really nice red tinged female is the last of the pairs in the Bentke offering. 230/3 puts a lot of good things together in an attractive package being deep sided and feminine fronted. On the sire side, 230/3 is out of our top +JDH Elmo son, out of the elite +CT Lanna cow that goes back to the #1 cow in the ABBA, +CT Rhineaux Ray 8/9. 230/3's dam is one of our most consistent cows, that raises one of the biggest calves every year. To cap off this lot, she's selling with a Golden Certified heifer calf at side, sired by a Reg. Angus bull that goes back to straight 44 Farms Genetics.

LOT 5: BCC Lady Eve 238/3 (ABBA #[1065239](#))
DOB: 4/28/23 CONSIGNED BY: BENTKE CATTLE COMPANY

SIRE: +M2 BRC Captain 518/1
DAM: BCC Lady Annie Manso 161/1

238/3 may be one of the best females we've ever offered at public auction. She was destined to be a top show heifer until a naval injury that required veterinary attention disqualified her from competition. The vet said it was not genetic and she is good to go. She's sired by +M2 BRC Captain, and out of one of our young donors that is out of +Mr. V8 194/7 and our top donor, +Lady H Emma Manso 288/2, one of the top 10 ranked Brahman cows all time for progeny show points. Eve is beautiful from the profile, big middled, stout, feminine and ultra gentle. She really has it all. She's only 30 months old and sells heavy bred to Mr. V8 388/8, a +Mr. V8 380/6 son out of a (+)Woodson daughter, proving the productivity of these genetics. Bid again - this will be your new favorite cow.

LOT 6: BCC Lady Bonnie 240/3 (ABBA #[1065220](#))
DOB: 4/30/23 CONSIGNED BY: BENTKE CATTLE COMPANY

SIRE: +M2 BRC Captain 518/1
DAM: Ms Bonchasse 376/7

240/3 may rival her half sister selling as lot 5 as being our favorite to ever offer in a sale. This dark pigmented female is massive legged, big topped, and bold ribbed. If you like her look, her pedigree will only make you LOVE her more. She's sired by +M2 BRC Captain 518/1, one of the hottest bulls around the world, and sire to the top 2 females in the ABBA show cow of the year race this year, one of which was born in this calf crop at BCC. The bottom side of her pedigree is just as impressive, being out of a cow that combines +Mr. V8 380/6 and the National and International Champion, JDH Lady Babette 486/4, one of the best +JDH Elmo daughters ever. As an added bonus, she sells bred to Mr. V8 388/8, a +Mr. V8 380/6 son out of a (+)Woodson daughter, so her calf will be double bred +V8 380. Opportunities like this don't come around often - don't miss out on Bonnie!

LOT 7: BCC Lady Manso 147/0 (ABBA #[1033834](#))

DOB: 11/2/20 CONSIGNED BY: BENTKE CATTLE COMPANY

SIRE: BCC Mr Hotya Fred Manso 3/3

DAM: Miss Broken Triangle 882

147/0 is a 5 year old cow in the prime of her life, selling heavy bred with her 3rd calf to a Reg. Angus bull for a Golden Certified F1 to hit the ground soon. 147/0 is a breed improving type female - fertile, moderate, easy keeping and she has an incredible udder. Her dam is 17 years old and still has one of the best udders on the ranch and is raising phenomenal calves. She is sired by our go to bull, BCC Fred 3/3, a +Mr. H Maddox son that has produced very well for us. This is the kind of cow that will keep you in the cattle business for a long time!

LOT 8: BCC Lady Tori 286/4 (ABBA #[1082691](#))

DOB: 6/2/24 CONSIGNED BY: BENTKE CATTLE COMPANY

SIRE: SRS Joe Kid 185

DAM: Miss V8 404/7

Looking for a top ready to breed replacement heifer? Put a star next to this one! Tori is 17 months old and ready to go into production. Tori was halter broken as a calf but never shown. You can see what drew us to bring her into the show barn - she's really nice in her lines, big topped, and bold ribbed. She's also got the beautiful dark pigment that everyone loves. Tori is sired by SRS Joe Kid 185, the 2018 reserve national champion bull and out of Miss V8 404/7, a royally bred female being out of +V8 901/4 and the world renowned +Miss V8 410/6.

LOT 9: WEW Miss Polled Watkins 500 (ABBA #[1078565](#))

DOB: 5/5/24 CONSIGNED BY: WATKINS BRAHMANS

SIRE: LMC LF Polled Amigo 89/0

DAM: LMC Polled Muneca 25/1

This outstanding female is a true testament to modern Brahman breeding, combining multi-generational polled genetics with superior performance traits. Sired by the influential Polled Amigo 89/0, a standout sire from the ABBA bull test. Polled Amigo has consistently proven his genetic merit, siring show ring champions and a host of productive replacement heifers. This heifer's moderate frame makes her an incredibly efficient and easy-keeping cow. Her genetics have been intentionally directed toward carcass quality, ensuring she'll produce calves that excel on the rail as well as in the pasture. The result is a highly functional, low-maintenance female who will contribute to your herd's bottom line for years to come. She is docile, making her a dream to work with in any operation.

LOT 10: WEW Miss Polled Watkins 506 (ABBA #[1078571](#))
DOB: 03/24/24 CONSIGNED BY: WATKINS BRAHMANS

SIRE: LMC LF Polled Amigo 89/0
Dam: LMC Polled Muneca 13/1

We are proud to offer this exceptional grey Brahman heifer, a product of our commitment to producing top-tier, functional cattle. This female is multi-generational polled and combines a moderate, efficient frame with a gentle, docile temperament. Her sire is the proven Polled Amigo 89/0, a top-indexing bull from the ABBA bull test with a track record of producing both show-winning offspring and productive replacement heifers. We have selected for these genetics with carcass quality in mind, ensuring a profitable end product. This is a heifer that will earn her keep by producing the kind of calves the industry demands.

LOT 11: WEW Miss Watkins 510 (ABBA #[1078575](#))
DOB: 5/14/24 CONSIGNED BY: WATKINS BRAHMANS

SIRE: LMC LF Polled Amigo 89/0
DAM: LMC Polled Megan 55/1

We are pleased to introduce another exceptional Brahman heifer from our program, a showcase of our dedication to breeding functional, top-tier cattle. This female stands out with her darker pigmentation and is multi-generational polled, offering both beauty and convenience. She possesses a moderate and efficient frame, which, combined with her docile temperament, makes her an easy-keeping asset to any herd. Her genetics are second to none, sired by the proven Polled Amigo 89/0, a top-indexing bull from the ABBA bull test. Polled Amigo has a reputation for producing both show-ring champions and high-quality replacement females. We've specifically selected for these genetics with carcass quality as a key focus, ensuring a profitable end product. This heifer is built to thrive on pasture and will consistently produce the kind of high-demand calves that drive your herd's success.

LOT 12: Miss Z6 260/4 (ABBA #[1085842](#))
DOB: 11/10/24 CONSIGNED BY: Z6 CATTLE COMPANY

SIRE: JDH Kolten Manso 515/5
DAM: ECC LMC Polled Rio Queen 180/8

MISS Z6 260/4 is a naturally polled yearling heifer with the kind of genetics that make her stand out in any program. She is sired by JDH Kolten Manso 515/5, a bull known for putting power, structure, and disposition into his calves. On the maternal side, she goes back to ECC LMC POLLED RIO QUEEN 180/8, giving her a strong polled foundation with proven maternal performance. Her pedigree also traces to the influential ECC CAPORAL 301, adding even more value to her lineage.

This heifer is halter broke, well-mannered, and ready to fit into a show string, replacement pen, or breeding program. With her excellent bloodlines, polled genetics, and calm disposition, MISS Z6 260/4 is the kind for any breeder looking to strengthen their herd.

LOT 13: Miss Z6 263/4 (ABBA #1091911)
DOB: 12/10/24 CONSIGNED BY: Z6 CATTLE COMPANY

SIRE: JDH Kolten Manso 515/5
DAM: Miss Z6 TTT 127/0

MISS Z6 263/4 is a high-quality yearling heifer with a pedigree built for performance and productivity. She is sired by JDH Kolten Manso 515/5 a bull owned by John Locke, a bull known for consistently stamping his calves with structural soundness, depth and docility. Her dam, MISS Z6 TTT 127/0, brings even more genetic strength, being out of JDH SIR DAMIEN MANSO 775/6, a herd sire that has produced numerous outstanding replacement females. On the maternal grand dam side, this heifer carries the influence of TTT MS SUVA MARTIN 655, further solidifying her proven maternal foundation. MISS Z6 263/4 is halter broke, gentle, and developing into the kind of feminine, well-balanced heifer that will make an excellent addition to any registered Brahman program. She will soon reach breeding age, making her a valuable opportunity for breeders looking to add reliable, performance driven genetics to their herd.

LOT 14: Miss Z6 268/5 (ABBA #1091978)
DOB: 4/5/25 CONSIGNED BY: Z6 CATTLE COMPANY

SIRE: JDH Maverick Manso 388/5
DAM: Miss Circle F 395/8

This outstanding gray heifer carries the strength and consistency of one of the most respected Brahman sire lines in the breed. Maverick traces directly back to the legendary JDH Mr. Elmo Manso 309/4, a bull known for producing cattle with power, balance, and strong maternal traits. JDH Maverick Manso 388/5 has accumulated several significant show winnings in 2020 and 2021 including the 2020 All American Owned-Show, winning Junior Champion Gray Bull. On the bottom side, she is out of Miss Circle F 395/8 a herd dam residing at the Z6 ranch adding another layer of proven maternal quality and functionality. This combination of Maverick x Circle F genetics creates a heifer built for longevity, production, and eye appeal. MISS Z6 268/5 is not only genetically impressive - she is also a beautiful gray heifer making her an excellent prospect for both show and future breeding programs. She carries herself with femininity, structure, and disposition, offering the complete package for breeders looking to add performance and pedigree strength to their herd.

LOT 15: Miss Z6 272/5 (ABBA #[1091912](#))
DOB: 4/27/25 CONSIGNED BY: Z6 CATTLE COMPANY

SIRE: JDH Sir Damien Manso 775/6
DAM: RB 631/9 Miss Amy

MISS Z6 272/5 is an attractive heifer that brings together proven genetics, eye appeal, and a gentle disposition - making her an ideal prospect for both the show ring and any breeder's program. She is sired by JDH Sir Damien Manso 775/6, a bull that has produced numerous high-quality offspring for the Z6 Ranch. His calves are known for their structural correctness, calm temperaments, and long-term productivity, and MISS Z6 272/5 follows right in line with that reputation. On the maternal side her dam traces back to RB 631/9 MISS AMY, adding depth, maternal strength, and consistency to this young female's pedigree. This heifer is halter broke, extremely gentle, and carries a unique red tinge to her gray color - giving her a standout look. She is the kind of heifer that will walk into the show ring with presence and later transition smoothly into a productive role in a breeding program. Whether you're looking for a show prospect or a high-quality addition to your herd, MISS Z6 272/5 is ready to go to work.

LOT 18: MS CC Loretta 524 (ABBA #[1087564](#))
DOB: 5/2/24 CONSIGNED BY: C&C FARMS

SIRE: JDH Flynn Manso 601/9
DAM: YC 3/18

This outstanding young heifer is the complete package. She's stout, sound, and gentle. Sired by the impressive JDH Flynn Manso 601/9. She carries the proven genetics and eye-catching look that makes her stand out in any pasture. Her dam is an exceptional producer, calving every 11 months without fail and maintaining excellent condition year-round. That kind of consistency and hardiness runs deep in this bloodline, giving you confidence in her future as a productive and reliable female. She's the kind of female you can take home and do anything with. She's a solid investment for anyone looking to add proven genetics, performance, and personality to their program.

LOT 19: MS CC Dolly 724 (ABBA #[1087563](#))
DOB: 7/10/24 CONSIGNED BY: C&C FARMS

SIRE: JDH Flynn Manso 601/9
DAM: YC 7/18

This impressive young heifer is powerful, sound, and built to perform. Her sire JDH Flynn Manso 601/9, brings proven genetics and performance, and her dam is as reliable as they come, calving every 11 months and staying in great shape all year round through droughts and harsh winters. That maternal strength and fertility show through in this female. She's gentle, stylish, and ready to go to work. If you're building a strong and efficient herd, this heifer is the type to get you there. She's got the dependable genetics and the looks to go the distance.

LOT 20: SBR Gracey Imperator 608/6 (ABBA #[1065357](#))
DOB: 3/12/23 CONSIGNED BY: HERRMANN CATTLE COMPANY

SIRE: SBR Imperator Renae 58/7
DAM: SBR Grace of Imperator 548/6

Moderate-framed with great pigment and a sound set of feet and legs, 608/6 is backed by an outstanding pedigree. She is sired by the 58/7 bull and out of a classic dark-pigmented, long-necked Sartwelle Imperator cow. This beautiful heifer is selling bred to JDH Benchmark Manso 776/7 who is a really thick beefy bull and who is siring some outstanding calves for Broken Triangle Cattle Company. She is very gentle.

LOT 21: Miss MK 2317 (ABBA #[1078666](#))
DOB: 4/17/23 CONSIGNED BY: MCKENNEY FARMS

SIRE: JDH Juhani Manso 312/5
DAM: Miss MK Loja 1703

Sired by a J D Hudgins bull and out of a McKenney Farms female. She is long bodied, deep and sound. She sells exposed to a Hereford bull.

LOT 22: Miss MK 2318 (ABBA #[1078667](#))
DOB: 4/19/23 CONSIGNED BY: MCKENNEY FARMS

SIRE: JDH Juhani Manso 312/5
DAM: Miss MK Loja 2005

Sired by an outstanding J D Hudgins Brahman bull and out of one of those top McKenney Farms Brahman females. She has good length of body and a long flat hip. A deep bodied female with thickness from front to rear. She is sound in structure and bred 3 months to Hereford bull.

LOT 23: Miss MK 2327 (ABBA #[1078668](#))
DOB: 6/28/23 CONSIGNED BY: MCKENNEY FARMS

SIRE: JDH Juhani Manso 312/5
DAM: Miss MK Loja 1824

Another female sired by a J D Hudgins Brahman bull. The bottom side of the pedigree is really similar to the Lot 22 female. This dark pigmented female is moderate, thick and very sound. She is AI to Diamond T 101 #763639 and then exposed to a Hereford bull. She is 5 months bred.

LOT 24: Miss MK Loja Manso 2414 (ABBA #[1087551](#))
DOB: 5/4/24 CONIGNED BY: MCKENNEY FARMS

SIRE: JDH Juhani Manso 312/5
DAM: Miss MK Loja 2005

The last of the McKenney Farms Brahman females. She is sired by a J D Hudgins bull and out of a good McKenney Farms female. She is really thick and beefy and is sound in structure. She is exposed to a Hereford bull.

DOB: 4/13/24 CONSIGNED BY: MCKENNEY FARMS

SIRE: JDH Juhani Manso 312/5
DAM: MISS MK LOJA 1703

A really nice gentle 20 months old bull that is loaded with natural thickness. He is sired by a J D Hudgins bull. He is deep in his heartgirth and flank. He has good thickness from front to rear and is sound in structure. As an added bonus he is extremely gentle.

LOT 46: BCC Mr Deuces Wild 222/2 (ABBA #[1065217](#))
DOB: 11/29/22 CONSIGNED BY: BENTKE CATTLE COMPANY

SIRE: +Mr V8 933/7
DAM: BCC Lady Emma Manso 28/6

BCC Mr. Deuces Wild 222/2 is a coming 3-year-old who is sired by +Mr. V8 933/7, the 2019 V8 Ranch bull of the year and the #1 bull in the breed for weaning weight and top 1% for yearling weight. Their dam is BCC Lady Emma Manso 28/6, a granddaughter of +Mr H Maddox Manso 684, who consistently produces standout calves. 222/2 stands on a massive set of feet and legs, is deep sided, and has that dark pigmentation that is incredibly popular. 222/2 has a moderate birthweight EPD, but an actual birthweight that is higher, so he would be recommended for use on American influenced cows.

LOT 47: BCC Mr 250/3 (ABBA #1091950)
DOB: 9/14/23 CONSIGNED BY: BENTKE CATTLE COMPANY

SIRE: +JDH Sir Shank Manso 51/7
DAM: Miss V8 15/9

250/3 is a super complete, solid made 2 year old bull who is ready to go to work. He's a low birthweight option that can be used safely on Hereford or Angus cows to make top tier F1s. From a pedigree standpoint, he's impressive being sired by +JDH Sir Shank 51/7, best known as the sire of a National and Reserve International Champion cow. The dam of 250/3 is Miss V8 15/9, a young donor we purchased from V8 Ranch whose first daughter was purchased back by V8 to add to their breeding program – so that should give you immense confidence in the breeding value and genetics offered here. You also have to appreciate the balance, look and power of 250/3, with good pigmentation too.

LOT 48, 49, 50: PUREBRED BRAHMAN FEMALES
CONSIGNED BY: PLEASANT VALLEY CATTLE COMPANY

Three big stout powerful purebred Brahman females are starting off this offering. They are 28-30 mos old, moderate with good depth of body and adequate muscling. CONSIGNED BY: MCKENNEY FARMS

2 yrs old - Registered Hereford Females - Bred 5 - 8 mos to Hereford. Tag #120 has a heifer calf at side born on sale week. Another group of those young females that are outstanding. They will be just as powerful as those 3-4 year old cows that sold earlier. This is a really easy handling set of Hereford females.

LOT 121: (AHA #[44606374](#))
CONSIGNED BY: MCKENNEY FARMS

2 yrs old - Registered Hereford Females - Bred 5 mos to Hereford. This is the youngest of the bred females and just didn't quite match the group. She is a really deep bodied, thick, female and extremely gentle.

LOT 122, 126, 128: (AHA #[44680344](#), [44641964](#), [44641959](#))
CONSIGNED BY: MCKENNEY FARMS

11 - 16 mos old - Registered Hereford Females (Open). This is a set of 3 young open heifers that are all top quality and really gentle.

LOT 123, 124, 125, 127: (AHA #[44641968](#), [44680346](#), [44641962](#), [44641973](#))
CONSIGNED BY: MCKENNEY FARMS

10 - 13 mos old - Registered Hereford Females (Open). It will be hard to find a more uniform group than these females. They have tremendous depth of body and are heavy muscled. They are as good as they get.

LOT 129: (AHA #[44432780](#))
CONSIGNED BY: MCKENNEY FARMS

3 ½ yrs old - Registered Hereford Bull. Anyone looking for an outstanding bull that is able to really breed a bigger group of cows, this is your bull. I saw this bull when he was a baby and I tried to buy him every time I visited the ranch. Doc was so proud of the breeding on this bull and the fact that he looked exactly how he wanted all his cattle to look. He is deep bodied, sound, calm and has great eye pigmentation. As a bonus he has a low birth weight and a very low birth weight EPD.

LOT 130, 131, 132: (AHA #[44425445](#), [44606375](#), [44606407](#))
CONSIGNED BY: MCKENNEY FARMS

17 mos - 3 yrs old - Registered Hereford Females (Exposed Hereford)

This is the exposed group of females. They range in age from 17 months to 3 years. 130 is 3 years old, 131 is 20 months old and 132 is 17 months old. We will sell these heifers as choice.

270 County Road 107 • Caldwell, TX 77836

Sale Day Contacts

Milton Charanza: 979-450-8588 Mitchell Charanza: 979-777-9955

Auctioneer

Troy Robinett

Terms and Conditions

Cash or check. Cattle will be sold to the highest bidder. The auctioneer will settle any bid disputes on the auction block. All cattle are to be paid for by the purchaser at the time of the sale. Cattle will not be released until after settlement has been made. Each animal will be at the purchaser's risk immediately after it is sold. Announcements made on sale day on the auction block shall take precedence over the information in this sale catalog or other advertising. We reserve the right to withdraw any sale lot that does not meet our specifications prior to the sale.

Health

All cattle are in excellent health and evaluated on a health protocol by an accredited veterinarian in the state of Texas. Each animal will be accompanied by an individual health certificate for immediate interstate shipment.

Breeding Guarantee

Bred females and pairs are considered breeders with no further guarantee. Open females are guaranteed to be breeders. If heifer is not pregnant by 30 months of age, she may be returned to seller and seller has 6 months to prove her as a breeder. If she is not bred after 6 months, a credit will be issued by the seller for a replacement of equal value. The bulls sold in this sale have passed a fertility test and are guaranteed by the consignors to be breeders, provided they are properly cared for and handled by purchaser. The bulls have been trichomoniasis tested negative. Any bull failing to breed after 6 months may be returned to the seller if in good condition. Seller reserves the right to try bull for 6 months. If he proves to be a breeder, he will be returned at buyer's expense. If the bull proves to be a non-breeder, a credit will be issued by the seller for a replacement of equal value. Seller is not liable for bulls lost due to injury or death.

Hauling

Cattle hauling can be arranged. Contact sale management for more details, or speak to our sales staff when you check out after the sale. Charges are determined by the specific hauler's set rate.

Online Bidding

This sale will be broadcast live with dvauction.com. You may watch and bid online during the live broadcast on sale day by creating an account or logging into your already existing account at dvauction.com.
